

To our Membership:

I reach out to you today as we begin to see some normalization in our lives here in the Grand Valley. The Western Slope has been fortunate to see a relatively low case count of COVID-19. WCHRA is excited to begin to transition to a new semblance of normal alongside you.

We have missed our monthly in person meetings, but I hope that over the past 90 days, you have been able to engage with us through the 2020 Virtual Law Conference and our April Monthly Meeting that we hosted virtually. WCHRA strives to be an outlet of valuable information and learning no matter our challenges. Please know you and your organizations have been in our thoughts through these challenges.

I am excited to let you all know that we are ready to make the transition to in person meetings. However, please know this will look a bit different than in the past. Our goal will remain to provide valuable information and learning while still following all guidelines placed by Mesa County Health Department and CDPHE.

Registration will be opening for the June 17, 2020 lunch program. Please know that to follow the required guidelines, we will only be able to allow for a total of 60 participants of our event in person. We will be streaming this program as well for those who are not yet comfortable attending in person or who may not be part of the first 60 registrants.

We ask that you please look at the registration and select what is most relevant for your needs. Pre-registration is required. We will not be able to let anyone join without registration prior to 6/15/2020. Additionally, if you normally pay for a guest or attend as a guest, this payment must be made prior to the event as well. We will not be taking payment at check in.

Check-in will take place outside prior to entry to Bookcliff Country Club. Please allow some extra time for check in. We will begin check in at 10:45a to help ensure the process is as smooth as possible. We will not be providing our WCHRA name tags at this time to decrease physical contact.

Finally, please know that the food serving process will also change. Food will be served through a serving buffet; each table will be released to get food per regulations.

We look forward to seeing you and we know you look forward to the connections as well as the great content we this June. Thank you for your continued support of WCHRA.

Thank you,

*Kirstin Guptill, MHRM, SHRM-CP*
